Mrs. Earle Marshall

It is with great admiration that the Annual Staff has chosen to dedicate the 1974 Gusher to Mrs. Earle Marshall, who has devoted much of her time to the Columbia-Brazoria Independent School District. In this small way, we wish to express the appreciation of the entire community.

A MESSAGE TO THE STUDENT BODY

It is a pleasure to participate, in a small way, in the development of this school annual.

The editor and the student staff, the sponsor, and others participating, deserve our appreciation and praise.

The concerted effort to include all students enrolled in the Columbia-Brazoria Schools, as well as the total staff and many citizen resource persons, reflects the staff's recognition of the importance of each person, student, teacher, other school staff, parents, and community citizens in a successful educational venture.

The vast majority of young persons genuinely want to help make this a better country and a better world. They deserve our fullest encouragement and support in their learning activities.

My best wishes to the Student Body.

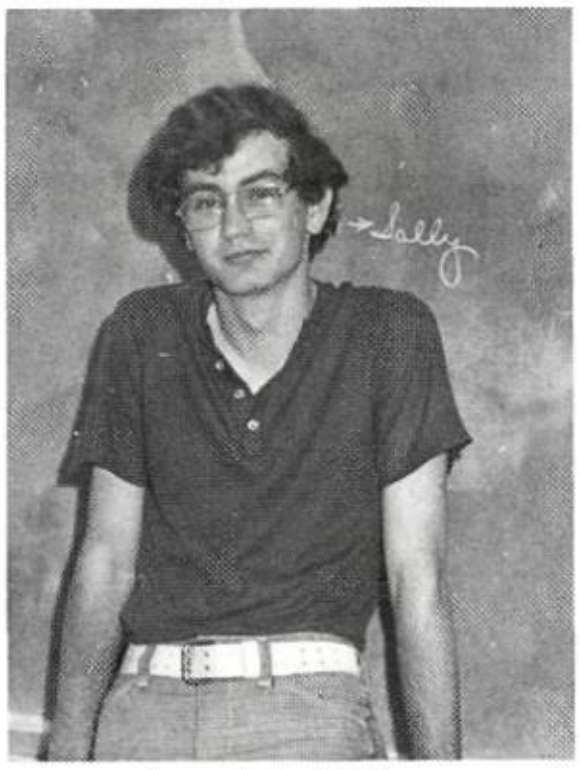
Annual Staff

The new and the old editors try to make a joint decision.

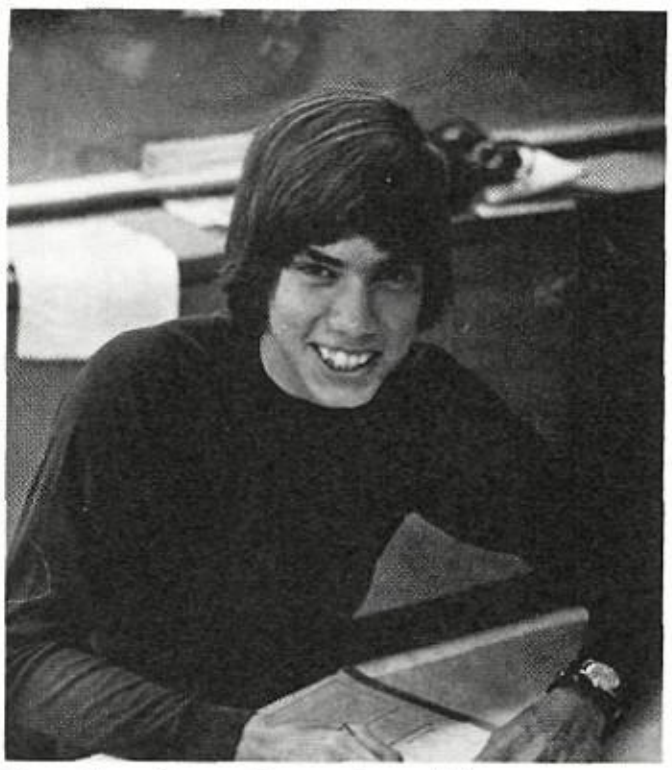


Annual Staff Mascot

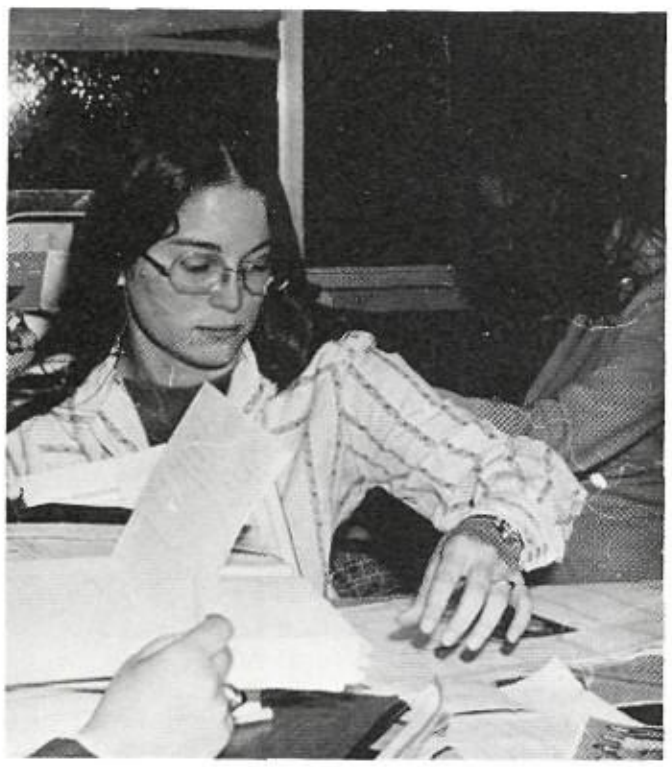
Mrs. Hamilton has to make the important decisions.

This caption is funny.

I never dreamed you had to think so much on the annual staff.



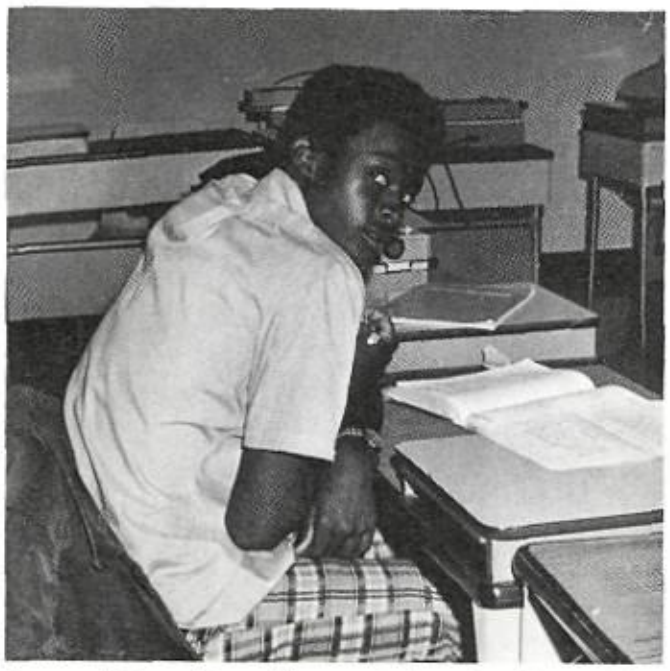
See Teacher - I can draw lines on a page too.



Sally, can you work with all that "junk" on the table?

Shh!!! Karla's concentrating on MY homework.

Taking pictures takes a lot out of a person.



Sorry Mrs. Hamilton, I just had to take a sneak peek.

I'll get her after class! You just watch.

Mrs. Hamilton lets us stop working on the annual long enough to have fun once in a while.

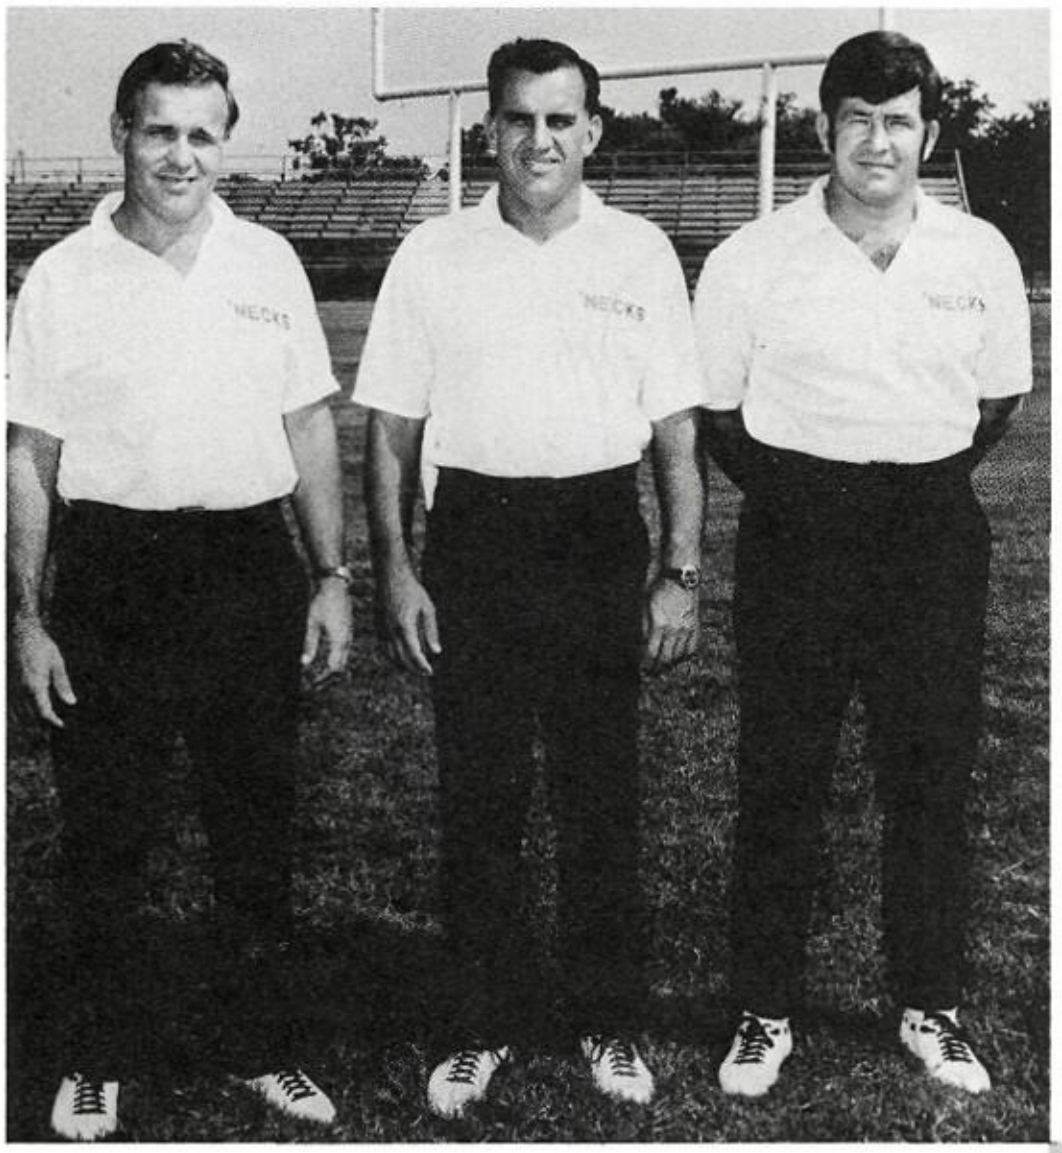
ROUGHNECKS

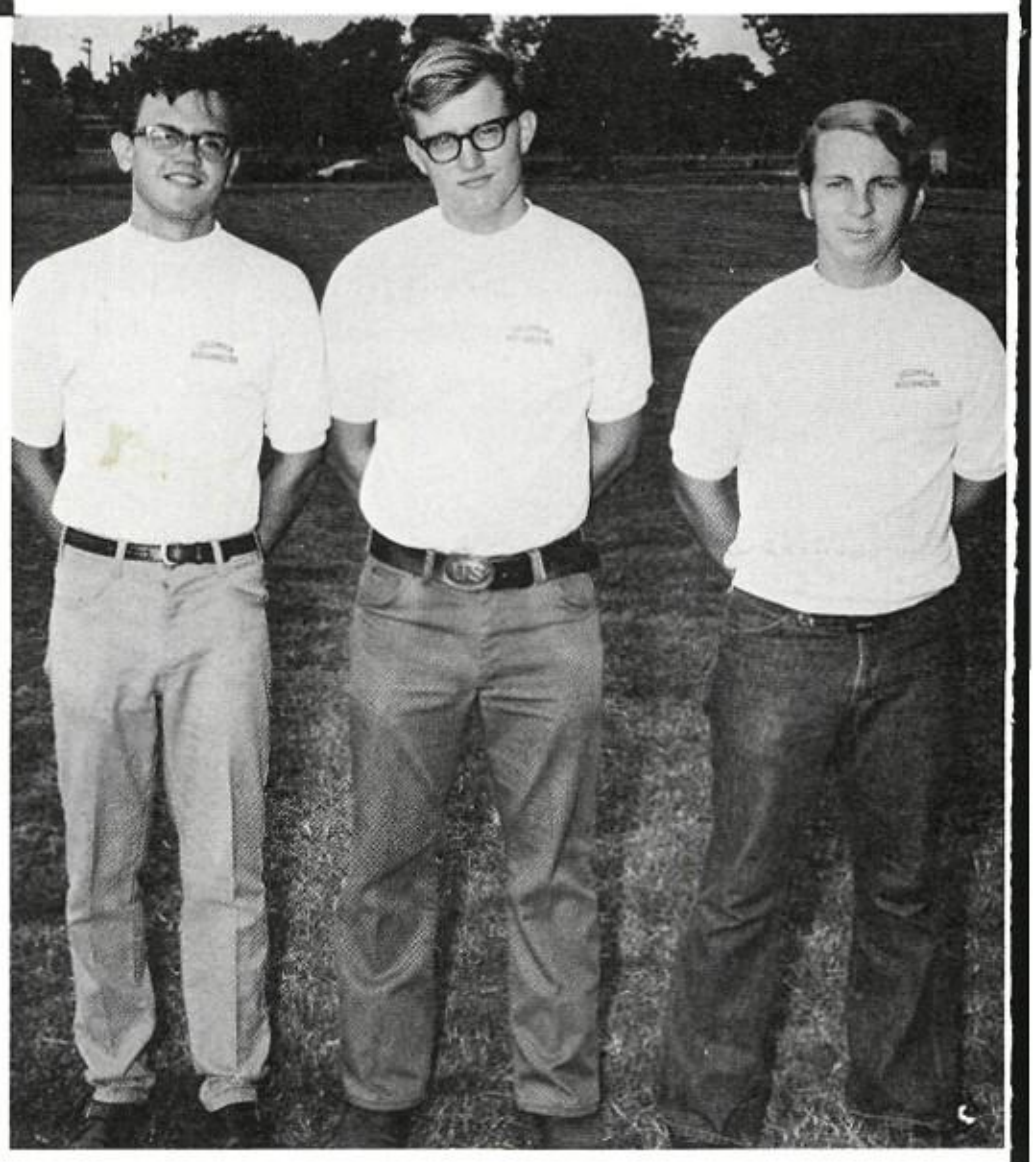
Our Fighting



The COACHES did their best to change the boys into men and worked hard to share their knowledge with the athletes. These men did an excellent job of placing the right person in the right position at the right time.

Our coaches were some of the best in the state and were chosen to coach the State All-Star game in 1971. They produced great players in all areas and were instrumental in getting scholarships for many athletes.

Left to right: Charles Brand, Jack Hays (Head Coach), Charles Forehand.



The MANAGERS were a great help to the football team. They issued the equipment and kept it in good condition. These individuals showed enthusiasm and spirit at all times. Without these excellent managers, the team would have been disorganized and not as likely to win. The only complaint the football players had was that none of them were girls.

Left to right: Roger Kees, Kelly Moore, Terry Christy.
